Hello Angela,

As of now the underwriter gave us an indication of \$24,700/year.

Please see the notes and items needed from the underwriter to be able to provide a firm quote.

Hi Josh,

Thank you for your submission of the above named insured. We are coming in around \$24,700*, for \$1M CSL, subject to further review. If this is competitive and you would like a formal quote, we will need some additional information:

- As this insured is a partnership, please provide the partner name.
- *With filings we require all owned/operated units to be scheduled. A 2008 Hyundai #03376 was found, through a third party service, to be registered at the insured's address, and as such was included on this indication.
- Since this was submitted with Federal filings, we will need the insured's MC# or USDOT# before we can formally quote.

Please note that our pricing is subject to change with any additional information, and that this risk has not been fully underwritten.

I look forward to hearing from you.
